## Birmingham 2022 Commonwealth Games

### 5 TEAM SELECTION PROCESS

#### 5.1 “No Guarantee of Selection”

- 5.1.1 The CGF will impose a maximum number of athletes that may be selected for the Jersey Team at the Games. The exact number of athletes is as yet unknown but is expected to be unchanged from the 2018 Games i.e. maximum team size of 33 athletes, with no specific allocation between sports. This complicates the Team Selection Process and means that the CGAJ cannot guarantee that any athlete has been selected until the Final Selection Process is complete.
- 5.1.2 Whether an athlete believes they have met their KPI requirement for selection, or if they have been Validated or even if they have been Provisionally Selected, they cannot be certain of selection. Athletes are strongly urged not to talk to the media including posting on social media, about selection prospects in any of these circumstances.

#### 5.2 The process for any athlete to achieve selection for the Jersey Team is as follows:

- 5.2.1 Registration as a Pathway Athlete
- 5.2.2 Meet the requirements of the Boxing Jersey Selection Criteria
- 5.2.3 Athlete Application for Validation
- 5.2.4 Athlete Nomination for Selection
- 5.2.5 Provisional Selection
- 5.2.6 Final Selection

#### 5.3 Registration as a Pathway Athlete

- 5.3.1 Boxing Jersey may apply to register any of their athletes who wish to be considered for selection for the Jersey Team and who are eligible to compete for the Jersey Team at the Games, as Pathway Athletes at any time during 2019 and in any event no later than December 31, 2019. Should you wish to be considered as a Pathway Athlete please contact the Designated Representative. The Boxing Jersey will decide whether to support your application to the CGAJ Validation Group to be registered as a Pathway Athlete. Assuming the Boxing Jersey supports your application to register onto the Pathway, the Designated Representative will guide you through the application process, which should be completed and submitted to the Validation Group before 31 December 2019.
- 5.3.2 An athlete, whose application for registration has not been made by 31 December 2019 without reasonable cause, shall be ineligible for registration to the Pathway and consequently also Validation or Selection.

## Boxing Jersey Selection Criteria (Selection Policy & Process)

### Birmingham 2022 Commonwealth Games

- 5.3.3 The Validation Group may decide to decline an application to register an athlete to the Pathway. Upon being notified of such decision, Boxing Jersey (but not the athlete personally) has the right to appeal against the decision to the CGAJ Appeals Panel in accordance with the CGAJ Appeals Process – See Section 7 b).
- 5.3.4 If an athlete, who was unknown to Boxing Jersey as at 31 December 2019 is subsequently identified during the Qualifying Period and who is considered by Boxing Jersey to have the potential to achieve the Selection Criteria, the Validation Group shall have power to accept a late registration of the athlete to the Pathway, provided it is made promptly upon such athlete becoming known to Boxing Jersey, making such conditions on such late registration as it sees fit in the circumstances. Any such late application must be made no later than 7 October 2021.

#### **5.4 Meet the requirements of the Boxing Jersey Selection Criteria**

- 5.4.1 The Selection Criteria of Boxing Jersey are set out in this paper specifically in the Schedules in Sections 8 onwards.
- 5.4.2 The Selection Criteria have been Validated by the Validation Group as having been prepared on a basis that meets the requirements of the 2022 Paper with the intention of setting a consistent performance level with the Selection Criteria of other Member Sports.
- 5.4.3 Key Performance Indicators (KPIs) have been established at a level that are designed such that, if the same levels of performance are achieved at the Games, they will give the athlete a reasonable prospect of achieving a position in the top half of the field in their event at the Games.
- 5.4.4 The KPIs are not an absolute qualifying standard, they are intended to set an aspirational performance target. Athletes should aim to beat or come as close as possible to the KPIs in top quality competition against other elite level athletes. Even if an athlete does not quite meet the KPI they may still be selected provided they demonstrate a consistent commitment to high level competition and a developing progression of performances over the Qualifying Period.
- 5.4.5 It is not enough to achieve a KPI once and then stop! If an athlete achieves a KPI performance once, they should continue to train and compete and strive to achieve more and better performances. Athletes should note that they are not only competing for a Jersey Team place against other athletes in their own sport but, because of the cap on Team size imposed by the CGF, they are also competing against athletes in other sports. All athletes should strive to improve their performance levels throughout the Qualifying Period, meeting and beating or coming as close as possible to their KPIs and as often as possible.
- 5.4.6 Whilst Team Selection will ultimately be finalised through the CGAJ Team Selection Process by the Validation Group, it is the duty of Boxing Jersey to ensure that when it Nominates an Athlete for Validation or Selection, it can show that they have adhered to the process outlined in this Selection Criteria paper. An athlete's Nomination for Selection will be at the full discretion of the Selection Committee and based solely on their performances during the Qualifying Period relative to the KPIs set out in this paper.

## Boxing Jersey Selection Criteria (Selection Policy & Process)

### Birmingham 2022 Commonwealth Games

#### 5.5 Athlete Application for Validation

- 5.5.1 Once, in the opinion of the Boxing Jersey an athlete has met the requirements of its Selection Criteria, Boxing Jersey will apply to the Validation Group, for Validation of that athlete having met the Selection Criteria. Boxing Jersey may make applications for more athletes for an event than there are places available to the Jersey Team in the Games at that event (although ultimately only the maximum permitted number of athletes for that event will be selected).
- 5.5.2 In notifying its athletes of its decision i.e. whether or not to apply for an athlete's Validation, and where the decision is not to apply for Athlete Validation in a particular case, Boxing Jersey will allow time for the particular athlete to make an appeal to Boxing Jersey Appeal Panel against the decision, if they wish to do so and so that such appeal may be completed before the deadline for submitting its application(s) for Athlete Validation to the Validation Group. See Boxing Jersey Appeals Process in Section 7 a).
- 5.5.3 Boxing Jersey applications for athletes to be Validated by the Validation Group must be submitted between 1 July 2021 and 7 October 2021.
- 5.5.4 Exceptionally Boxing Jersey may apply to the Validation Group to Validate an athlete where, in their opinion, the athlete has not quite progressed sufficiently towards the prescribed Key Performance Indicators but has demonstrated development potential, progression and commitment to preparation over the Qualifying Period and has a reasonable prospect of attaining the performance levels set out in the Selection Criteria by the time of the Games.
- 5.5.5 Exceptionally Boxing Jersey may apply to the Validation Group to validate an athlete conditionally in circumstances where an athlete has not quite met the requirements of the Selection Criteria, but, in the opinion of Boxing Jersey, has the potential to do so in competitions to be held prior to the final date for submission of athlete Nominations for Selection. Such conditional Validation shall be made subject to the athlete satisfying such conditions as may be determined by Boxing Jersey and agreed by the Validation Group, provided that such conditions must be satisfied prior to the latest date for submission of athlete Nominations for Selection.
- 5.5.6 In any other circumstances, if Boxing Jersey is not satisfied that the athlete has met the requirements of its Selection Criteria, it shall not apply for Validation of that athlete.
- 5.5.7 Achieving Validation does not guarantee Final Selection for the Jersey Team.

#### 5.6 Athlete Nomination for Selection

- 5.6.1 Once an athlete has been Validated by the Validation Group, Boxing Jersey may Nominate a Validated Athlete for Selection for the Jersey Team. Such Nomination must be submitted no later than 7 December 2021.

## Boxing Jersey Selection Criteria (Selection Policy & Process)

### Birmingham 2022 Commonwealth Games

- 5.6.2 In notifying its athletes of its decision i.e. whether or not to Nominate Athletes for Selection, and where the decision is not to apply for Athlete Validation in a particular case, Boxing Jersey will allow time for any athlete that wishes to do so, to make an appeal to Boxing Jersey Appeal Panel. Such appeal will need to be completed before the deadline for submitting Nominations for Athlete Selection to the Validation Group. See Boxing Jersey Appeals Process in Section 7 a).
- 5.6.3 Please note that in making its Nomination(s) for selection, Boxing Jersey shall rank all the Validated athletes they are nominating, in the order that they would select them for the Games (“Athlete Ranking”). This Athlete Ranking is also a matter that can be subject to appeal and the same rules on timing as above apply.
- 5.6.4 Achieving Nomination for Selection does not guarantee Final Selection for the Jersey Team.

#### **5.7 Provisional Selection**

- 5.7.1 The Validation Group shall Provisionally Select Validated athletes for Boxing Jersey from the Nominations for Selection provided by Boxing Jersey.
- 5.7.2 Where there is the same number, or fewer, Validated athletes that are Nominated for Selection than there are places available to the Jersey Team for the events then Provisional Selection will normally be fairly straightforward i.e. the Validated athlete(s) for each event are likely to be Provisionally Selected subject only to considerations regarding the maximum overall size of the Jersey Team.
- 5.7.3 However where there are more Validated athletes Nominated for Selection for an event than there are places available to the Jersey Team for the event, the Validation Group will make the Provisional Selection of athlete(s) from the Validated athletes Nominated for Selection for the event, using as guidance, the Athlete Ranking provided by Boxing Jersey.
- 5.7.4 An athlete who has been conditionally Validated, may be Nominated for Selection and may be Provisionally Selected but shall nonetheless still be subject to the conditions imposed by the Validation Group as a conditionally Validated Athlete, unless the Validation Group determines otherwise.
- 5.7.5 The Validation Group may select reserves for the Jersey Team from those Validated Athletes Nominated for Selection but not Provisionally Selected.
- 5.7.6 Achieving Provisional Selection does not guarantee Final Selection for the Jersey Team.
- 5.7.7 A decision by the Validation Group not to Provisionally Select a Validated athlete is potentially subject to appeal by the Member Sport under the CGAJ’s appeals process. See Section 7 b).

## Boxing Jersey Selection Criteria (Selection Policy & Process)

### Birmingham 2022 Commonwealth Games

#### 5.8 Final Selection

- 5.8.1 Final Selection of the Jersey Team by the Validation Group will only be made after the determination of any and all Member Sports appeals made in respect of Provisional Selection (or the time for making such appeals has expired).
- 5.8.2 If, immediately following the Provisional Selection stage, the aggregate of the number of Provisionally Selected Athletes (for all Member Sports) plus the number of Validated Athletes that were Nominated for Selection but who were not Provisionally Selected for the Jersey Team (for all Member Sports) is equal to or less than the maximum team size (assumed to be 33 athletes unless otherwise advised), then those Provisionally Selected athletes shall automatically become the Finally Selected Athletes to represent the Jersey Team.
- 5.8.3 Any Validated Athlete that was Nominated for Selection but was not originally Provisionally Selected, but where their Member Sport has been successful in appealing against this decision and, on review, the Validation Group reverse their original decision, will also become Provisionally Selected and shall also automatically become a Finally Selected Athlete and part of the Jersey Team in accordance with the preceding paragraph.
- 5.8.4 If, immediately following the Provisional Selection stage, and after any appeals from any Member Sports against any Validation Group decisions not to Provisionally Select any Validated Athletes that were Nominated for Selection, have been completed or the time for any such appeals has expired, the number of Provisionally Selected Athletes is greater than the maximum team size, then the Validation Group will liaise with the CGF Games Organisers in an effort to have the maximum size of the Jersey Team increased to accommodate the excess of Provisionally Selected athletes over the maximum team size.
- 5.8.5 If no such increase in the maximum team size is possible (and for the avoidance of doubt no such increase can be guaranteed) or the available increase is insufficient to accommodate all Provisionally Selected Athletes, the Validation Group shall undertake a further Final Selection of a number of Provisionally Selected Athletes for all Member Sports up to the maximum team size (or such higher number as may be negotiated with the CGF Games Organisers). Regrettably unless the CGF agree to increase the team size to accommodate all Provisionally Selected athletes, this does mean that one or more Provisionally Selected Athletes will not be Finally Selected.
- 5.8.6 The Validation Group shall determine this Final Selection, in such manner and taking into account such information as may be available to it, including through such further consultation with the Member Sports, it sees fit and any and all other factors that it considers relevant.
- 5.8.7 The Validation Group may select reserves for the Jersey Team from those athletes Provisionally selected but not Finally Selected.

- 6.6 All athlete notifications are confidential to the athlete and Boxing Jersey and should not be communicated to any third party including but not limited to the media (including posting on social media) unless and until any related Public Team Announcement is made which should be within a day or so of the athlete notification.

#### b) CGAJ APPEALS PROCESS

- 7.9 The CGAJ Appeals Process is set out in detail in the 2022 Paper. It describes how appeals may be made against decisions of the Validation Group. The following is just a summary of the key features and in the event of having to make an appeal reference should be made to the full text set out in the 2022 Paper.
- 7.10 An athlete has no personal right of appeal against decisions of the Validation Group. On the other hand, a Member Sport does have the right of appeal to the CGAJ Appeals Panel against decisions of the Validation Group generally, including but not necessarily limited to decisions on; athlete registration to the Pathway; Athlete Validation; and Provisional Selection of an athlete.
- 7.11 A Member Sport wishing to appeal against a decision of the Validation Group must give written notice of their intention to do so within 3 days of notification of the decision that is under appeal. They must then follow up with full details of their appeal with a further 7 days. In the same period the Validation Group may also submit their response to the Appeal.
- 7.12 Having received written details of the appeal from both parties the Chairman of the CGAJ Appeals Panel may meet with a representative of each of the Validation Group and the Member Sport to discuss the appeal and determine whether there are valid grounds for appeal and whether or not the appeal should proceed further or not.
- 7.13 If the appeal proceeds there may be further exchanges of information between the parties and a formal hearing will take place. The rules under which the hearing will be conducted are set out in the 2022 Paper.
- 7.14 The CGAJ Appeals Panel is not required to make an independent re-assessment of the Validation Group decision that is the subject of the appeal, it is simply required to assess whether, in reaching its decision, the Validation Group has followed its due process and its decision was reasonable in all the circumstances.
- 7.15 If the Appeals Panel concludes in favour of the Member Sport bringing the Appeal, they have the power to refer the matter back to the Validation Group for further consideration taking into account specific circumstances and/or the views or recommendations that the Appeals Panel sees fit to make to or to bring to the attention of the Validation Group.
- 7.16 In this event the Validation Group is required to reconsider the matter taking into account any views or recommendations of the Appeals Panel and reach a conclusion. The final decision of the Validation Group, whether it is the same or a different from its original decision shall be final and is not subject to any further appeal.

The CGAJ has requested all sports to set the PIs at a level that have a reasonable prospect of seeing athletes who achieve KPI performances at the Games, finishing in the top half of the field in their weight division (this means achieving a quarter-final or semi-final finish or better depending upon the field size). In the Gold Coast 2018 Games, 11 out of 33 athletes achieved this and the CGAJ have set a target of 50% of the Jersey Team achieving this “success level” performance at the B2022 Games.
